Description

Title:	9th Micro & Nanotechnologies brokerage event at Micronora 2014
Publish on:	Enterprise Europe Network only
Type:	Brokerage Event
Start Date:	25 Sep 2014
End Date:	26 Sep 2014
City:	BESANCON
Country:	France
Description:	<p>The 20th edition of Micronora will take place in Besançon (France) from 23th to 26th of September 2014. ARIST Franche-Comté, technological service of the Regional Chamber of Commerce and Industry, organises, with the support of the Network and the Micro and Nanotechnologies SG, the 9th Micro & Nanotechnologies brokerage Event during this trade fair. The brokerage event has been organised since 1998. This Brokerage Event, which is targeted at companies, technical institutes, research laboratories and clusters offering innovative technologies and know-how or looking for technological solutions, organises confidential bilateral meetings. The 8th edition in a nutshell : 10 nationalities represented by 110 participants, 360 highly-targeted meetings (9 nationalities, 120 participants, 344 B2B meetings in 2008). Access to the outcomes and the video : http://www.micro-nano-event.eu/outcomes Benefits for companies: Technological partnerships, European R&D projects, finding partners to build a solid base from which to approach new markets, making international contacts to promote innovative technologies and know-how or find ideas or technologies as innovation boosters. Objective: sharing to innovate, develop and reach new markets. Best reasons to participate : - Micronora offers a good industrial and specialised platform(around 800 exhibitors, 15 000 professional visitors). - The meetings initiated during the Brokerage Event lead to real partnerships, and companies are highly satisfied with their participation. More information, http://www.micro-nano-event.eu We are preparing the next edition. Contact : Anne-Marie VIEUX amvieux@franche-comte.cci.fr phone : + 33 3 81 47 42 07 Others Partners Involved :</p>
