Deliverables (brief description and month of delivery)

1. Excellence – F1

1.1 Objectives

- Describe the objectives of your overall innovation project and the subsequently expected outcome. Describe the industrial/economic/social problem to be solved and/or business opportunity you intend to address.
- Describe the specific objectives for the feasibility study, including the elaboration of a business plan, which should be clear, measurable, realistic and achievable within the duration of the project. Objectives should be consistent with the expected exploitation and impact of the project. (see section 2).
